Soph Strut Semi-Formal Says Plans

**Devonshire Country
Club Chosen As
Location—Motif
Hallowe'en**

Plans for the Soph Strut, to be held at the Devonshire Country Club on October 31, came into the home stretch this week with the announcement by Frank Muldoon that Bids would go on sale either the latter part of this week or the first part of next.

There is also the question of orchestra. If Nick Morrissey's band is available for the date mentioned, it will, in all probability, be chosen. Several others have been considered, but Morrissey's seemed to be favored by the Sophomore Dance Committee. The bids are slated to be sold at a dollar and twenty-five cents, though there has been some agitation for a lower price.

Frank Muldoon, when questioned on the matter of corsages, said, "This affair will be a semi-formal one. There are to be no corsages. Furthermore," continued Muldoon, "don't worry your pretty heads about finding your way up to the Club. Provisions will be made—a map or something."

"Decorations will be in keeping with the holiday. Cats and ghosts and stuff," explained Muldoon.

Strong minorities in the sophomore classes seemed to be a bit disappointed in the choice of so distant a location. Louis Abrams stated, "I think the affair should be held in San Francisco. We'll have to spend half the night getting there."

Subject B Ex Given Again

Over 100 students attended a special meeting called by Mr. Frank L. Fenton, head of the English Department, last Wednesday in the activities room to discuss the problems dealing with the subject B examination.

Mr. Fenton urged all students who have failed or have any problems dealing with the subject B examination to see him in his office for private consultation and a review of the work. He stated that most of the errors occurred in problems dealing with the periods of American literature of the 19th century, the English romantic period, and the 19th century English novels.

A new ruling exempts all students who have registered at any college or university before the fall term 1934 from this examination. However, all others enrolled after that date who are seeking an elementary, kindergarten, or special Jr. high credential must pass the subject B before they are allowed to do their practice teaching.

The next examination will take place the early part of December, and for all those who intend to practice teaching next term a special examination will be held after the Christmas holidays. This examination is given at least once a semester.

FROSH ANNOUNCE DINNER

President Bill Ferem of the low Freshman class has announced the completion of the plans for their dinner. It will be given at seven-thirty Thursday night, November 19, at the Venido Cafe.

Popular Vote Will Settle Two Issues

**Compulsory Annual And
Class Officer Elections
Up to Students—Says
Ex. Board**

Two important issues are to be settled by ballot within the next two weeks according to advices received from the Executive Board after their last meeting. The first issue will be concerning the 1938 Franciscan and the second will be directed at the procedure on class elections.

Final discussion on both issues has been carried over until the next meeting of the Board, when their final form and wording will be decided.

The student body will have a chance to settle once and for all the problem of a compulsory annual at the election, according to Board members. In its present form the vote, if favorable, will involve 75c a semester for those students coming in during the fall term, and \$1.50 for one semester for those entering in the spring. \$1.50 will be the full price of the book, Bob Barry, the present editor, inferred.

The second issue is the result of dissatisfaction with the present method of nominating class officers as provided by the new Student Body Constitution. The document provides that candidates shall be automatically nominated when they have obtained the names of ten per cent of the class on a petition. The election is to meet the demands of those who believe the old direct floor nomination is the best means.

A. P. G. NAMES PREVIEW DATE

An impressive list of prospective acts for the forthcoming Alpha Phi Gamma Chicken's Ball includes many of the best known organizations on the campus. It has become necessary to set a date for a preview and timing rehearsal to keep the show within the time allotted. This preview will be on October 29. Its purpose will be to select the best acts for presentation and to weld them into a balanced program.

Many prominent personalities in the bay area have been invited to serve as patrons and patronesses.

Those clubs and organizations which have already promised acts for the show are: Music Federation, Associated Men, Associated Women, Bib'n Tucker, College Theater, Kappa Delta Tau, Phi Lambda Chi, the Low Senior Class, the Spanish Club, Brush & Palette, and the Executive Board. Others remain to be heard from.

Tickets can now be obtained from Elsa Magnus or any of the members of the fraternity. There will be a prize for the organization selling the most tickets, as well as the cup being given for the best act in the show.

S. P. OFFERS SPECIAL TRIP TO STATERS

**Daylight Limited Leaves
Nov. 6 For Gala Week-End
Of Football - Dancing**

State college students have been offered the chance to take one of the most colorful and exciting excursions in the history of the school by the Southern Pacific R. R. For the half price fare of \$11.00 any student may have one of those perfect southern week-ends and attend the Santa Barbara-State football game to be held Friday night, November 6.

Through the cooperation of Mr. Ben C. Harvey of the Southern Pacific, a very complete program has been arranged as follows:

Leave San Francisco Friday, Nov. 6, at 8 A. M. on the Daylight Limited to Los Angeles. Arrive in Santa Barbara at 4:20 P. M. and eat. Attend football game and go to State dance afterward, given by the Junior College. Spend all day Saturday and Saturday night in Santa Barbara and leave for home in private sleeper at 1:20 A. M. Sunday morning, or stay over until 10:40 Sunday morning.

Sleeping facilities are included in the price of the fare for both Friday and Saturday nights, as new Pullman sleepers will be left in the Santa Barbara depot for State use and will be merely attached to the Sunday train and brought home without disturbing the occupants in the least.

This is one of the most unusual trips ever offered. A gala time is promised and the ticket has a seven-day stayover.

A sign-up is being conducted by Vernon Ouellette daily in Mr. Nees' office between the hours of 11:00 and 1:00.

Camera Men Shoot Games

Play by play motion pictures of the State football varsity's coming games will be taken by Varsity Theatre cameramen, was the announcement today of Erwin Bisehoff, show chairman.

Under a newly made agreement with a local film company, Varsity Theatre has secured super-sensitive film for use in night photography. This will enable the cameraman to take pictures during the team's night games.

Plans are also underway to send a cameraman along with the team to photograph the away-from-home games, so that students unable to make the trips will be able to see the team in action via the motion picture screen.

These steps are being taken in consequence of the suggestions of Coach Hal Harden, who believed that the films would not only prove entertaining to the students in general, but would have an instructive and educational value for members of the team.

"The Miramonte game will not be photographed in its entirety," Bisehoff said, "as this is our first attempt at night filming. Several hundred feet will be taken, however, and will be shown on the campus next week."

Varsity Theatre plans its second presentation for Thursday from 11 to 1. The performance will be continuous. Campus Reels and the Football Varsity picture will be presented again for those who missed it, in addition to an entirely new selection of travelogues and comedies.

Ten cents will be the new price of admission, Bisehoff said.

Juniors Pick Site of Prom In Long Meet

**November 21 Set As Date
Of Traditional Event
at St. Francis**

State's traditional Junior Prom will have as a setting the equally traditional St. Francis Hotel on November 21st. This announcement came after a lengthy meeting of both low and high Juniors last Tuesday noon. A long list of possible sites were considered. These included: Devonshire Country Club, Whitcomb Hotel Roof Garden, Century Club and the Clift Hotel Roof Garden.

In stating reasons why the Colonial Ballroom of the hotel was finally chosen, Howard Demeke, the class president, said the majority of the group felt that it was an ideal site for that particular night because of the general atmosphere of celebration certain to result from "Big Game Night." He stated also that the hotel was centrally located and did not necessitate a long drive down into the country.

Convenient

Will Smith, publicity chairman, said "The selection of this site was to meet certain objections which students living across the bay invariably make to remote locations. It means a long trip for them even with ideal conditions and the choice of the St. Francis will certainly remove that objection. For the student living here in San Francisco the situation is ideal. He can if necessary attend two affairs in one night, which is sometimes the case, without the necessity of travelling a long distance for either."

The selection of Big Game Night became a virtual necessity when the Sophomores decided on October 31st at Devonshire Country Club for their forthcoming Strut. It was to allow the committees one more week of preparation as well as to avoid any possible conflict with the Sophs that the date was chosen.

Bids Sold Next Week

Arrangements are already being made for bids and programs. Bids will be \$1.50 and will go on sale possibly by the end of next week.

Pauline Quirk, vice-president of the class, will be chairman and hostess for the affair. She stated that both high and low Juniors would be working to assure the success of the Prom. Dawn Wilson is in charge of Decorations, Everett Parrish is ticket chairman, Bud Decker is in charge of the orchestra, George Smith is handling Bids, and Will Smith is Publicity Chairman.

MUSIC FED. TO HAVE BLOWOUT

Music Federation will hold its initial or "blowout" meeting of the semester on October 30 at 8:00 p. m., in Annex B10, according to Leon Mineor, chairman of arrangement. New members will be formally introduced at that time.

Because of the fact that Hal-lowe'en is on the same evening, the committee chairman said that the affair will, in all probabilities, take the place of many feature attractions closely related to the regular Hallowe'en atmosphere.

"Prizes, fun for everybody, and a gala of fun, are only a few of the means of entertainment which will be offered to those who attend the affair," said Gus Smith, president of the organization.

Executive Board Hits Pamphlets; Student Body Censor Named

**Action Started By Violation Of Political
Neutrality Rule By Campus Group;
Committee To Ban Meeting of
Unrecognized Politicos**

Controversy over material in pamphlets issued by various organizations at State necessitated action by the Executive Board at its weekly meeting Monday evening. The following resolution was adopted: "Whenever possible, the stencil of all handbills must be signed by a student body officer. If this is not possible, a copy of the handbill must be signed by a student body officer and placed on file in the Student Body office."

The most recent publication, one put out by an unauthorized political group, over-stepped an ultimatum handed down to the organization in keeping with the Board's policy of neutrality in politics.

Rally Adds New Talent

With hopes of bringing World Series players Joe DiMaggio, Tony Lazzari and Frank Crosetti to the A.M.S. big combined rally and smoker October 29, Mike Driscoll, president of the A.M.S., appointed a special invitations committee, headed by Don Amos. The presence of these outstanding national players will add a great deal of color to an outstanding program, which is already nearly completed.

The latest addition to the program is Corinne Lynwood, a student from S. F. J. C., who was wildly acclaimed at the joint rally recently held at Roberts' Field. Her inimitable style and technique as an imitator makes her truly a worthy addition to the program. She has promised to do several numbers.

Three professional musical radio acts will be presented, which includes two special duets, and a trio. Several athletic events, headed by Earl Booker in an exhibition boxing match and Maury Schwartz and Sam Goldstein in a wrestling bout, round out the entertainment.

A.M.S. sponsor Mr. Nee urges all men students to attend this rally and smoker. Mr. Nee stated that a closer bond of unity among the men students of the college is highly desirable and that functions of this sort bring the men together and allow them to get better acquainted.

The gigantic smoker and rally will be held in Annex B2 or the Little Theater October 29 at 11:00 for all men students.

COLLEGE BOARD MEETS FOR SEMESTER PLANS

First meeting of the college board, with Dr. Roberts presiding, was held yesterday morning at 10 and followed by the first faculty meeting at 11.

Plans for the 1937 summer session and second school semester were discussed, and reports on curriculum, enrollment and the counseling program were heard.

The board, consisting of all college Deans and the heads of each department, discussed these matters before passing them on to the faculty meeting.

Important at the meeting was the report on grade distribution to determine the various methods used in grading by professors.

SOPHS CHANGE DATE

Jack Hulbert, chairman of the low Sophomore picnic, reports a change in the date of this event. It will be held November 18 at Sig-mund Stearn Grove, instead of in October, as was formally planned.

**SEE YOU
AT CHICKENS
BALL**

Darryl Hopkins, George Mirande and Bud Decker were appointed by Ed Cockerum, president of the Executive Board, as a committee to inform those attending the advertised meeting that the club is not recognized and cannot therefore meet on the campus.

Another item discussed by the Board was State Night, which will offer an outstanding array of vaudeville acts topped by an excellent motion picture program to be selected by Chairman Howard Demeke, at the Midtown Theater on Tuesday, November 10. Supplanting last year's Circus Day idea, this gala event will be a means of raising money necessary for publishing the 1937 Franciscan and as such deserves the support of every student body member.

Demeke and Bud Decker, co-masters of ceremony, stated that details of the evening's entertainment will be released soon and that special admission for Staters is 25c. Tickets may be purchased on the campus or at the theater. However, the Franciscan receives one-third of all money from tickets sold by students and only 5c on each admission paid at the window when a Student Body card is shown.

Full explanation of the charges asserted by Bill Buchan, Gater editor, in a previous issue were also given by Ed Cockerum and Board members. It seems that the whole matter was a misunderstanding of facts on the part of the editor.

An apology was given and the matter was considered closed by the governing council.

CUB REPORTER TURNS IN FRIED CHICKEN EPIC

Dinner at the Elizabeth Inn and reserved seats at "the game" will symbolize reporters on a spree when the Golden Gater staff celebrates the first semester get-together tonight.

The Elizabeth Inn, long a standby for college dinner parties, will serve dinner for Gater members at 6:15 tonight and the cost will be fifty cents a throw. Fried chicken will be on the menu, with a full course dinner.

Dashing directly down to Roberts after the dinner, staff dinner participants will find reserved seats, provided by Bud Decker, directly under the Press Box.

All "Gater" staff officers will be present, and their sponsor, Dr. Roy Cave.

OFFICIAL LIST

For the convenience of State Students a list of class presidents is printed herewith:

FROM THIS SIDE

By BILL BUCHAN

Flow South With the Golden Tide!

With this invitation the football special to the Santa Barbara-State game is seeking your attention. Not officially sponsored by any Associated Student organization, it nevertheless has the backing of a majority of the college.

It will mean the development of something new in an already new State spirit. It will mean that the spirit already created with the home games will not die when the team takes to the road.

It will be a trip that will be "swell." We can't think of any other way to characterize it. The special train will leave San Francisco on Friday, November 6, and arrives at Santa Barbara that night. There a special Pullman will be waiting for the State rooters. Saturday night will see a dance in honor of the State rooters. The special will leave Santa Barbara at 1:20 A. M. Sunday morning, arriving in the city at noon.

The special should ride the crest of the new spirit that is flooding the college. It should become one of the most talked of events in this semester's activities. The cost will be within the reach of all. The idea is grand. There is nothing wrong with the scheme. So—

It's "Flow South With the Golden Tide!"

Act 1 Climax.

The drawing of the curtain on the home schedule for the football team will mean that the lights on Roberts' Stadium will be dimmed for awhile. It will be a "break" for those people who have worked so hard to give State an athletic plant in so short a period of time.

It will mean that bleachers and facilities will be completed without the week-to-week crowding of the fans into the uncompleted structures. It will mean that the turf will be given a much needed rest. It will mean that the field will be given a much needed chance for further development.

The sending of orchids, milk toast and other complimentary bouquets is a little outmoded. But there should be something sent to Dave Cox, Leo Nee and the others that have made Roberts' Stadium possible.

Retractions

And now comes our hardest job. We saw our statements concerning the so-called graft in the Executive board blasted and proven wrong. Inasmuch as this has caused irreparable injury to the college we take this means of apologizing to the college.

THE TIDE ROLLS

MUSICAL NOTES

By CAHN

State arrived last Friday night. The student body attended, the yell leaders put on a swell show, the football team brought home the bacon and the band was LOUSY.

Don't blame the band boys tho. Don't blame anyone. You see, for years fellows have been playing in the band for small crowds and unsuccessful football games. One semester was enough and it was "the thing" for a musician not to play in the band.

But those days are over. It's a new era at State and the band has to keep pace with the yell leaders and the football team. At our next game, let's get the 50 piece band that we could muster in 10 minutes. We want folks to believe us when we brag about our music department.

When Paul Barrett entered the Hotel Claremont last Saturday he had an engagement ring in his pocket. When he left some time later it was on the hand of Mary Hodgkin, senior at U. C. and past president of the Treble Clef. They will be married in the spring.

Cahn-Notations
Leon Minear will be assured

of at least one cellist at his College Theatre orchestra rehearsals. . . You'll be there, won't you, Dolores? . . . Sid Hoff's orchestra, which just returned from Yosemite, played to its largest crowd last Saturday eve at the Cal. gym. in Berkeley. . . There were 1,900 paid admissions. . . Eddie Fitzpatrick has been signed at the St. Francis till next March. . . W. Winchell hints that Nino Martini and Elissa Landi might be that way—Cahn saw them at Yosemite's Ahwanee Hotel and doing very well. . . To those who like their popular music dressed up in a modern symphonic garb—dial KGO Sundays at 5 P.M. for "Symphony Moderne" . . . Their theme music is thrilling. . . In Joaquin Garay's act at the Golden Gate last week, he portrayed, while singing, an old old man with a cane. Watching him, years flew back as we recalled one morning in our dramatics class at Mission Hi when Joaquin received an A for the same impersonation. . .

Most songwriters get their exercise these days by lifting tunes!

We're told that:

Most songwriters get their exercise these days by lifting tunes!

Lucky for You

—It's a Light Smoke!

TAKE A HINT FROM THOSE WHO INHALE

To true smoke lovers—those who inhale regularly—the gentleness of a light smoke holds a special attraction. But even though you are just an occasional smoker, you will find welcome throat protection in a light smoke. . . A Lucky!

—whether or not you inhale!

The joy you'll find in a light smoke doesn't depend one bit upon the kind of smoker you are . . . how often you smoke or how many Luckies you smoke. The gentleness of a light smoke, and the blissful throat-ease offered by that exclusive Lucky Strike process known as "It's Toasted"—they are simply bound to please you. And so will the taste of Luckies, for they are made from the highest-priced leaves of the whole tobacco plant—the tender center leaves. A light smoke of fragrant richness. A light smoke kind to your throat.

"SWEEPSTAKES" FLASH!

Picks Winners—Husband Forgets to Mail Entry

Mrs. Joe D. Pridgen, Jr., of Durham, North Carolina, was a very happy person when she heard that the songs she picked were winners in Your Lucky Strike "Sweepstakes." But as she writes: "Now I'm plenty mad at my husband, who forgot to mail my winning entry. He's not very popular at home right now."

Have you entered yet? Have you won your delicious Lucky Strikes? Tune in "Your Hit Parade"—Wednesday and Saturday evenings. Listen, judge, and compare the tunes—then try Your Lucky Strike "Sweepstakes."

And if you're not already smoking Luckies, buy a pack today and try them, too. Maybe you've been missing something. You'll appreciate the advantages of Luckies—A Light Smoke of rich, ripe-bodied tobacco.

Luckies—a light smoke

OF RICH, RIPE-BODIED TOBACCO—"IT'S TOASTED"

STATE READY FOR MIRAMONTE; TAKES ON CHICO STATE NEXT

Staters Meet Chico State On First Trip

Coach Art Acker, bespectacled mentor of the Chico State Wildcats, will send his battered eleven into action against the Golden Gaters next Friday night, October 23, at Oroville. The Chico team has defeated Mendocino, C. and been dumped by Sacramento Jaycee so far this season. This Friday night the Wildcats meet Alonzo Stagg's game little outfit from the College of the Pacific, a game which should soften the Vicious Felines for the San Francisco State dope-upsetters.

Coach Acker boasts of several all-conference players, among which are Clarence Pentico, end, and Leslie Kreigh, quarter. A heavy line bolstered by Ed Perry, 255 pound tackle, expects to wreak havoc on the State forward wall. A team from one of San Francisco's notorious hills also expected to play through State's front-line trenches and found themselves looking at an imaginary scoreboard which read, State 2—S. F. J. C. 0.

Last season Chico's Wildcats bit and clawed their way to a one-sided victory over a fighting State team. This year they will face a team who will take the fight into their own hands and battle offensively as well as defensively. The Gaters passing attack is working like the proverbial charm and should have the Chico stalwarts star-gazing throughout most of the game. Failing in the aerial attack the Gaters can utilize such great kickers as Bill Harkness and Gordon Bolander to punt and wait for the breaks. As an added threat, Coaches Farmer and Harden will make use of little Bob Kelenhofer's ball-toting ability to gain precious yards.

HISTORY DOES REPEAT ITSELF!

Just as large as its predecessors in proportion to price, the 1937 Franciscan will be outstanding we hope.

Pugs Meet Muscle Men For Crown

Muscle Men To Use Pass Attack Against Boxers In Play-off

Fighting for the intramural championship Tuesday, the Muscle Men will battle the Pugs in the final game of the touch tackle league. The Pugs won the honor to enter the finals when they beat the Tumblers by a 6 to 2 score on Wednesday.

Dave Schiller proved to be the bright star for the Pugs. He caught the pass that gave the Pugs their six points and victory. He was also mixed up in the "mistake" play that gave the Tumblers their only score. Intercepting a pass behind his own goal line, Schiller decided to get rid of the ball. It was declared a fumble and was recovered for a safety.

Tuesday's game should show a barrage of passes on the part of both teams. The Pugs boast of the Schiller-Schwartz combination, while the Muscle Men have Kenny Wilkes and Irv Neudelman.

Maury Schwartz, headman of the Pugs, declared that the attack wouldn't be devoted solely to the air game. "We have a swell running attack and we're going to town with it. We're rough and tough and I doubt whether the Muscle Men can stand up under the battering we expect to give them," declared Schwartz.

To date the teams have both beaten two opponents each. The Pugs taking the Tumblers into camp and beating the Block "S." The Muscle Men beating the Newman Club and Karter's Kids.

FIVE VETERANS RETURN TO BASKETBALL TEAM

With the veteran guards and two veteran forwards returning, the basketball practice got under way last Monday afternoon. The coaching of the practice sessions will be taken by Dick Hurst, a veteran, until the end of the football season, when coach Dan Farmer will take the helm.

The varsity and junior varsity will meet twice a week until November, when practice will start in earnest. The days for the practice until November are Monday and Wednesday, from four till six o'clock.

This year the Gaters will have only five veterans returning to take to the floor and ring baskets. As guards, they will have returning, Bill Plutte, Dick Hurst and Eddie Barbano.

There are slightly more than 550 junior colleges in the United States.

Students at the University of Illinois who wish to drive on the campus must pass a chauffeur's examination. Can Staters do this?

There is one backfield change expected. Quick-starting Bob Kelenhofer, who played a lot of football in the Ram game, will probably open tonight's contest along with Abbey, Schiller and Harkness, although Captain Bill may be kept out because of an injured ankle.

Gilmore, J. C. Star, Threat To Gridders

Strength of Miramonte Eleven Unknown— Speedsters Star For Mounties

Riding the crest of their wave of triumph over the S. F. J. C. Rams, the grid warriors of State's Golden Tide tangle with the Miramonte Junior College eleven at Roberts' Stadium tonight in their final local appearance of 1936.

Although the bleachers have been enlarged daily, another capacity crowd is expected to jam the stadium to watch the Gaters conclude their home season before leaving for road engagements at Chico, Salinas and Santa Barbara.

Farm Rumor

Not a great deal is known of State's opponents from Atascadero. They are said to be a "farm" for the University of Southern California Trojans. Their record to date shows a 23 to 0 victory over the Santa Barbara State Frosh, and a 13 to 12 defeat at the hands of California Poly.

Miramonte will present a break-away man who will bear watching in halfback Dale Gilmore, a 9.9 dash-man at 170 pounds, and who also handles passing chores.

Captain Lewis Finch is another running threat, being particularly adept at line plunging. Finch holds down the fullback position.

Erpelling Out

Bob Webb, a 180-pounder, handles the quarterback berth, with little Ding Erpelling at right half. The 145 pound Erpelling replaces Chuck Ewing, who is on the sidelines with a dislocated jaw.

This backfield quartet works behind a line averaging 180 pounds to the man. The lightest man in the forward wall is Ken Zuger, 160 pound right guard. The heaviest is Jack Cohen, left tackle, who tips the beam at an even 200. Cohen and Louis Kyzivat, 196-pound left guard, are considered the mainstays of Miramonte's front rank.

State's line-up should be practically the same as that which started against the Rams, but several changes should occasion no surprises.

Runar Stone has the call at left end, but Quarg and Phillips are waging a merry battle for the right flank. Hal Beseman and Bill Plutte turned in fine games against the Rams, but Claude Hanrahan and huge Harry Holloway have shown well in scrimmage this week, and may start at the tackle posts.

The guard positions are a dog-fight among Kauer, Fisher, Cunha and Scharetg. The patched-up Bill Ferem will, as usual, take care of the pivot spot.

There is one backfield change expected. Quick-starting Bob Kelenhofer, who played a lot of football in the Ram game, will probably open tonight's contest along with Abbey, Schiller and Harkness, although Captain Bill may be kept out because of an injured ankle.

Mundt Sees State Radio

With increased membership as the prime consideration in petitioning for a charter from the Executive Council, the newly organized radio club at State is making a desperate attempt to gain the interest of those students who are interested in short wave radio communication.

Carlos S. Mundt, sponsor and faculty member, openly admitted that the interest derived from the last meeting of the club was splendid, as not only were several prospective radio amateurs present, but there were two State students who already had the necessary permission from the Federal Communication Commission to operate the proposed station on the State campus.

Albert Danielson and Arthur Monsees, State students, have regular class A operator's licenses, which is the highest recognition that the radio commission can give to an amateur operator.

Danielson and Monsees have had much operating experience, having won the national Sweepstakes contest for the San Mateo Junior College in 1934. The Sweepstakes contest is a contest in which all radio amateurs in the United States compete once a year to determine the best operated amateur station.

Mundt continued by saying that the probabilities of having a radio station on the air this semester is rather doubtful as no definite location for the equipment has been found as yet, and also is the fact that an antenna is one of the most difficult problems that the club will face in the erection of the station.

The next meeting of this organization will be held Tuesday at noon in room 118, at which time all radio enthusiasts are most cordially urged to attend.

FILM VERSION OF CRAIG'S WIFE OPENS

"Craig's Wife," film adaptation of George Kelley's Pulitzer prize play, opens on Market street this week. Starring John Boles and Rosalind Russell, it is a picture of a wife who married to become a mistress of a home and looked upon her husband as a scarcely human fixture therein.

"Two in a Crowd" will be the companion picture. Starring Joel McCrea and Joan Bennett, it is the account of the finding of a torn \$1000 bill and the subsequent happenings. Film critics have said that this is the most amusing of all turf pictures since "Broadway Bill."

These pictures start their first run showing on Friday in the "first run" houses that border the Civic Center.

NOTED SPEAKER STIRS TEMPEST

"There is nothing but what is virtuous contained in the new philosophy of government which for the last four years has been put into practice by President Roosevelt," stated Professor Baker Bassett, of U. S. F.

Professor Bassett went on to say, "Considering the billions of dollars spent by the United States during the World War to kill our fellowmen, it seems to me that we should not object to seven or eight billion dollars being used to keep the American people alive."

"The New Deal is a new venture, an honest attempt to find a better way of life for the American people as a whole."

The answer given him by the president of the Young Republican Organization, Mr. Melvin Belli, was as follows: "Why try to change so suddenly a system which has been built up through the years, and represents our country. A huge percentage of the money appropriated for relief has been wasted, and it will be necessary for Governor Landon to be elected in order to restore the business man's faith in the government."

These two speakers were greeted with a torrent of questions that were followed by heated arguments presented by various members of the group.

"Recent Trends in Russia" is the title of the speech to be presented at the next meeting

A NEW CAMPUS STYLE SHOW? NO, JUST HELL DAY FOR TRIO

Those peculiar-looking creatures, running around the campus in inked shirts, soldier hats, and big keys, are none other than Bill Rose, business manager of the **Golden Gater**, Alice Marsten, columnist and assistant on the '37 **Franciscan**, and Dorothy Jean White, feature editor of the Tuesday staff of the **Golden Gater**. Today, they are observing the traditional "hell day" that precedes formal pledging into Alpha Phi Gamma, a national journalistic fraternity.

At noon today, the members of the local chapter of Alpha Phi Gamma, will gather in the "activities room" for a luncheon at which they will be entertained by the candidates.

Tomorrow night, at 6 o'clock, members and pledges of the

group will hold a formal dinner at the Victoria Hotel. Mrs. Evelyn Rogers, a State alumnus and a member of the local chapter, will be the hostess. Following the dinner, a meeting will be held at her home, during which the three neophytes will go through the rituals of being pledged. The ritual will be conducted by the following officers of Alpha Phi Gamma: Robert Barry, second vice-president; Erwin Bishoff, bailiff, and Clarence Dechent, secretary.

Three honorary members have been elected to the chapter. They are John D. Barry, columnist of the **San Francisco News**; Robert Caylor, columnist of the same paper, and Neil Hitt, columnist of the **San Francisco Chronicle**. These men will be initiated soon.

NOTED DOCTOR AT OPEN ROAD MEETING

An especial invitation is extended to all students taking pre-medical or pre-nursing courses to attend the Open Road Club meeting on Wednesday, October 21, at 12:15 in the Activities Room.

The guest speaker at the meeting will be Dr. Thomas Addis, Dr. Addis is from the Stanford University Hospital.

Dear Joe:

I see where State is favored to beat (Miramonte J. C. or something). Well, after that swell showing in trouncing (S. F. J. C. or something), they should be a cinch. By the way, I hear that these games are featured in the '37 **Franciscan**. Don't forget to reserve me a copy,

Love, Jane.

SCRIBES STUDY STORY WRITING

Opening their study of the short story, the Scribes Club will hear Miss Elizabeth Everett, poetess and teacher of English at Berkeley Evening High, in an address at noon today in room 201.

Miss Everett's work has been included in several anthologies of California poetry.

A get-acquainted dinner is scheduled for Sunday, October 18 at the Goo Soo Ting Restaurant at 645 Jackson street. Friends of club members are welcome to attend, according to Peggy Cleghorn, president of the group.

"We'll order large servings and divide the cost so that the dinner will cost the individual less than previous Scribe's dinners," says Miss Cleghorn.

LIDLIFTER

Editor, The Golden Gater:

I am sorry to find that your reporter has misinterpreted my recent remarks to the Student Union. Far from "hitting pacifism," I defended it! Though recognizing the difficulties which the pacifist faces in the modern world, I pointed out that because violence brings inevitable counter-violence, the way of resolute, non-violent resistance is actually more effective in the long run.

Alfred G. Fisk.

Poll Aids To Plan Annual

Formulation of plans for the 1937 **Franciscan** will be made by 135 out of the 1500 students in attendance at State. At least, only this number indicated their desires by using voting privileges in the recent poll conducted by the staff.

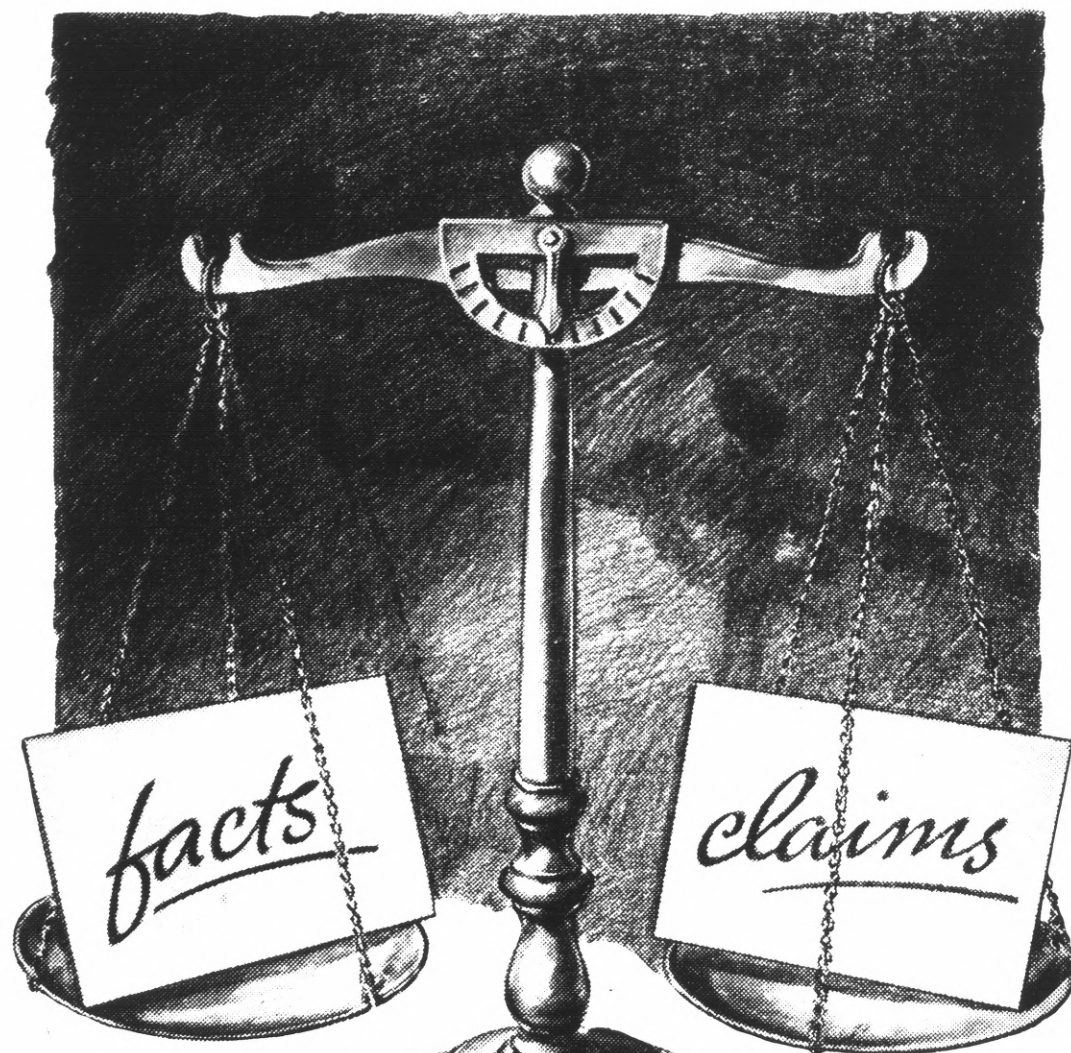

Of the results, students voted overwhelmingly for cream paper and approved a ten cent fee in group pictures. By the close margin of five votes, the 8½ in. by 11¼ in. size was chosen. Forty of this group expressed desire to be staff members, many of whom would solicit ads on the 15% commission basis.

Particularly amusing were votes labeled "I will NOT subscribe" and left blank. The idea of the vote was to get general opinions, regardless of persons subscribing or not, so that these persons merely wasted their right to a vote.

With the dime charge per person in group pictures helping to defray expenses of cuts, the **Franciscan** will definitely have all classes, clubs and other organizations represented by pictures.

Voters also suggested enlargement of music, dramatics, club and snapshot sections. With music set at six, dramatics at three, clubs at six, and snapshots at seven pages, all of these desires will be fulfilled.

Old 1936 **Franciscans** are still for sale in room 114 or Mr. Nee's office at the reduced price of 50¢ per copy.

Read any statement
about Chesterfield cigarettes

We tell you what they are made of—mild, ripe tobaccos. We tell you that we use on Chesterfield pure cigarette paper.

We tell you that Chesterfields are carefully manufactured.

We suggest that you try Chesterfields and find out how mild they are and what a pleasing taste and aroma they have.

A great many cigarette smokers will tell you that Chesterfields satisfy—give them what they want in a cigarette.
